MOSCOW ANNOUNCES TREATY OF TERRITORIAL EXCHANGE WITH NEW REGIME: FIGHTING GOES ON WITH FEW CHANGES

Germany, Scandinavia Are Chief Losers: British Mines Menaced

LONDON, Dec. 3 (Reuter)—A Treaty of Mutual Assistance was signed in Moscow today between the Soviet and the "Government of the Finnish Democratic Republic," announces the Moscow Wireless. The Soviet undertakes to hand over to Finland 72,000 square kilometres of Soviet Karelia in exchange for 3,970 kilometres of the Karelian Isthmus, north of Leningrad, for which the Soviet will pay 120,000,000 Finnish marks as compensation.

The Soviet was granted a 30-year lease of Hangoe Peninsula, where they will establish a military and naval base.

A number of islands in the Gulf of Finland was ceded to the Soviet, as well as the Finnish parts of the Rybachy and Sredny Peninsulas, on the Arctic Ocean.

The Soviet will pay 300,000,000 marks as compensation for these islands.

Havas adds that Government quarters in Moscow stress that the Soviet Union is accepting no Bourgeois government of Finland while diplomats here pointed out that Moscow had formed a "Popular Government" at Terijoki evidencing that the Soviet had settled Finland's fate.

Moscow, they said, takes revenge for the Communist defeat of 1918 and is determined to liquidate the Finnish State which has been constantly looked upon with suspicion by Moscow as a centre of foreign anti-Soviet intrigues.

RELEASED FROM CAPTIVITY

NEPHEW OF CHENG KWOK-YAU

Cheng Cheung-fai, nephew of Cheng Kwok-yau and a member of a well-known Hongkong family, who was spirited away a few weeks ago in mysterious circumstances and for whose release a ransom of a million dollars was demanded, returned to Hongkong on Saturday.

From scanty facts available, it appears that Cheng was enjoying a boating expedition at Shatin with the two young ladies concerned when they were held up some distance from shore by two armed men and ordered to board a fishing junk.

The junk set sail for Shantung, near Shataukok, whence the victim was taken to Pekin, near Wuichow, in the Waileung district.

Cheng's release was the result of the perspicacity and goodheartedness of a village named Chung Tim-pang.

The matter was then placed in the hands of the Hongkong police, who sent a detective to interview the magistrate of the district.

On November 28 the Chinese authorities surrounded the house where Cheng was kept a prisoner, and, in the ensuing battle, the men guarding Cheng were shot down.

The Chinese police then raided a house nearby where the two girls were arrested.

Cheng was escorted back to Hongkong by a detective and arrived here on Saturday night.

Generalissimo Chiang Kai-shek has a new concurrent post. He is Chairman of the Szechuan Eisen Workers Examination Committee, which was formed on December 1. Besides the Generalissimo, there are twelve other members.—(Central News).

BRITONS ADVISED TO LEAVE FINLAND

HELSINKI, Dec. 3 (Reuter)—The British Legation has advised British subjects to leave Finland today. American subjects are leaving for Sweden tomorrow while the German Legation and 400 to 500 German subjects are leaving today. It is reported that Russia will give Germany an assurance that German subjects will be able to leave safely.

Heavy fighting occurred during the night to the north of Lake Ladoga, especially near Suojarvi. It is learned that the Finns maintained their positions despite violent Soviet attacks.

Fighting occurred in no man's land and the Russians lost several tanks. It is reported that the strong Finnish resistance apparently surprised the Russians.

The Finnish Army is well armed and possesses one machine-gun to every 11 rifles.

PETSAMO STILL HELD

LONDON, Dec. 3 (Reuter)—Fierce fighting in the Suojarvi district, near the frontiers to the north-east of Finland, is announced the Finnish Defence Ministry communiqué broadcast from Helsinki.

The communiqué declares:

"Generally the Finnish line is maintained. Petsamo is still in the hands of the Finns. There have been no air raids today and no naval activity against the Finnish coast."

Roosevelt Calls For "Moral Embargo" On Bombings Of Cities

WASHINGTON, Dec. 3 (Reuter)—President Roosevelt issued a formal statement of the Government hoping that American manufacturers and exporters of aeroplanes and aeronautical equipment would bear in mind the Government's policy of condemning "unprovoked bombing" of civilians.

The statement does not name any country but is regarded as a very important development in the formulation of American wartime policy by both officials and diplomats.

It is considered another step in the direction of strengthening the Administration's power to chart the country's foreign policy which is shackled and circumscribed by Congress in the Neutrality Act.

DODGING NEUTRALITY

Public support is overwhelmingly behind the President in his action in definitely naming the Soviet as the aggressor and applying for sanctions against the Soviet, both of which practices are contrary to the intentions of the Congressional drafters of the Neutrality Act.

Major Battle Developing North Of Nanning

KWEILIN, Dec. 3 (Central)—A major battle is developing in the hilly regions north of Nanning.

On the Nanning-Wumeng highway, after breaking through Santang, about 12 miles north of Nanning, the Japanese are assaulting Kaoeng, a strategic pass about two miles further north. Chinese machine-guns mounted on the hills have exacted a heavy toll.

After repeated frontal assaults without success, the Japanese began to attack the Chinese wings yesterday. Occupying higher positions, the Chinese repulsed them without much difficulty. A contingent was sent to attack the Japanese rear by a detour, inflicting further casualties.

STAUNCH RESISTANCE

On the Nanning-Pinyang highway the bulk of the Japanese force is attacking Paitang, 31 miles

north-east of Nanning, while a separate column is launching a flanking attack. The Chinese are resisting staunchly.

Japanese aircraft are extremely active reconnoitring and bombing Chinese positions and Japanese artillery keeps up a heavy bombardment to cover the advance of their infantry.

HEAVY TOLL OF LIVES FEARED IN SHANGHAI STREET CONFLAGRATION

Four Killed In Jumping From Blazing Building: Tragic Scenes Witnessed

OVER TWENTY PERSONS ARE BELIEVED TO HAVE BEEN BURNED TO DEATH, FIVE ARE KNOWN TO HAVE DIED FROM INJURIES AND NEARLY 100 RENDERED HOMELESS AS THE RESULT OF A TREMENDOUS BLAZE WHICH GUTTED THREE FOUR-STORYED HOUSES AT THE CORNER OF SHANGHAI STREET AND SOY STREET LAST NIGHT. THE DAMAGE IS ESTIMATED TO BE IN THE REGION OF \$50,000.

THE CAUSE OF FIRE HAS NOT BEEN ESTABLISHED BUT IT IS BELIEVED TO HAVE ORIGINATED IN A COTTON-QUILT SHOP IN 482, SHANGHAI STREET, GROUND FLOOR, WHERE, WITH THE INFLAMMABLE NATURE OF THE GOODS STOCKED AND A BRISK BREEZE, THE FLAMES SPREAD WITH AMAZING RAPIDITY, DEVOURING THE WOODEN STAIRCASES AND TRAPPING NEARLY 50 PERSONS IN THE FLOORS ABOVE.

The peaceful atmosphere of the area was turned into a din of shrieks for help which were heard far above the crackling flames as they leapt higher and higher.

First to notice the tragedy was a Chinese detective having refreshment in a near-by teashop. He immediately summoned the Fire Brigade and within two minutes two appliances were on the scene. Later three more engines arrived.

Rescue ladders were immediately shot up and firemen effected several rescues, about 30 persons being brought to safety in this manner. As the flames increased, however, sheets were spread and

USE OF APPROVED COMMERCIAL CODES

The following communique was issued by Mr. D. J. Sloss, C.B.E., Censor, on Saturday:

I have been instructed from London that the permission to use certain selected codes as and from December 1, 1939, must be deferred. An announcement will be made later as to the date on which the use of those codes may be permitted.

those on the top floor were asked to jump.

Police and civilians assisted the firemen in holding the sheets and about 20 persons were landed. Four were killed and four injured, however, in attempting to jump into the spread sheets.

MOTHER AND CHILD

A representative of the Hongkong Daily Press was on the scene shortly after the engines arrived, and saw one woman with a child strapped on her back, jump from the third floor. She landed on the edge of the canvas and striking her head heavily on the ground was picked up unconscious and rushed to hospital. The child, fortunately escaped injury but it is doubted that the mother will live.

Wave Of Consternations Said Sweeping Reich: Fascists Cheer Finns

AMSTERDAM, Dec. 3 (Reuter)—Germany made strong secret representations to Moscow before the Red Army marched into Finland. It was learned from a usually reliable Berlin source.

M. Stalin refused to reply and it is stated that this rebuff caused a renewed wave of consternation in Government circles in Berlin.

High Nazi circles are beginning to realize what Germany has to pay for Soviet support.

Furious quarrels are reported to have broken out among Hitler's lieutenants. Even Gen. von Brauchitsch, hitherto regarded as an extreme "yes man," was stated to have attacked Herr von Ribbentrop in Hitler's presence.

Army circles see nothing but trouble for Germany in Russia's advance westward.

The Navy was said to be deeply perturbed. Admiral Raeder fears that it is going to lose its freedom of action in a "Bolshevized Baltic."

Hitler was hitherto forced to stand by von Ribbentrop's policy to support Russia, but it is believed that he is intensely worried by the realization that the Army, the Navy and the people are all against him in the Finnish conflict.

FASCISTS DEMONSTRATED

ROME, Dec. 3 (Reuter)—Italy's sympathy for the Finns was expressed last night when Fascists demonstrated in front of the Soviet Legation and then marched to the Finnish Embassy before which they shouted "Long live Finland."

The Finnish Minister was carried shoulder-high by the cheering crowd.

AJAX CREATES BIG UPSET AT VALLEY RACES ON SATURDAY TO PAY \$212 & HOLDS UP "DAILY DOUBLE" POOL

Dead-Heat For Second Place In Thrilling Seventh Race Finish

Creating the biggest upset in the Valley in recent times, Ajax won the Auld Reekie Handicap yesterday to pay a dividend of \$212.70 and cause the "Daily Double" pool of \$7,523 to be carried over to the next meeting of the Hongkong Jockey Club, no one having secured the correct combination.

This was not the only upset yesterday. Golden Cow and Chatterbox also caused the majority of punters some disappointment, but the racing was keen and exciting and spectators generally had a good time.

The main event of the day, the St. Andrew's Stakes, was won by Galaxy in easy manner, while Roofy and Violet Queen dead-heated for second place in the Seventh Race after a thrilling finish.

Following are the results with notes on the running:

RACE ONE

Heddon (second in demand on the pari-mutuel) and King's Parade, were in front down the back stretch and led the field round the home bend where Smiling Time (favourite) and Lucky Eleven started moving up. In the home run Smiling Time and Lucky Eleven overhauled King's Parade, for first and second places respectively, while Palmer, despite a late but strong challenge, had to be contented with fourth place.

RACE THREE

New Star was the first away in a poor start. Jober, Lilliber and Galaxy (second favourite) were prominent in the early stages. Hectic View moved up from the Rock and led into the straight first time round, followed by Galaxy and New Star, Jober and Lilliber having fallen back.

Passing the stands Galaxy was in front followed by Hectic View, New Star and Rose Emily (favourite). Galaxy maintained the lead to the end, keeping off a strong challenge from Red Feather (third favourite), who was second by a length and a half.

Rose Emily (favourite) had come up and looked a possible third until Moonlight View, making a late dash snatched the honourable place from the favourite, the latter nevertheless beating Scenic View for fourth place. Avon ran a good race to finish sixth and is worth following.

THEATRES AGAIN IN MID-LONDON

Theatres and cinemas in mid-London are now allowed to open again at six o'clock in the evening.

Not an attractive prospect for producers of musical comedies or straight plays, but the cinemas and continuous revues are taking advantage of the permission, says a Home correspondent.

So, to forget Hitler, we can go and see, from lunch-time onwards, the lovely little ladies in "Graeles de Montmartre" at the Prince of Wales Theatre (laughing at the same time at Gille Potter's fun), while the girls are just as perfect and the humour as diverting in "Revueville" at the Windmill Theatre, now proudly announcing its eighth year.

Not even a world war can stop that sort of thing.

SCOUTS PARADE INSPECTION

Governor Presents Certificates

Several hundred Boy Scouts, Cubs and Deep Sea Scouts assembled at the Murray Parade Ground on Saturday before their Chief Scout. His Excellency the Governor, Sir Geoffrey Northcote, and Scout Commissioner, the Rev. N. V. Halward, for an inspection parade.

Among those present were Commodore A. M. Peters, Col. A. G. Neville, the Hon. Sir Robert Kotewall, Wing-Commander A. H. Steele-Perkins, Major C. Manners, The Hon. T. H. King, Commissioner of Police, and Mr. E. Cook.

"At the present time, with the war only a few weeks old, it is not easy to see in detail the exact path we Scouts have to pursue, but some points are crystal clear. Firstly, all of us have our duty to perform to our Country and the Empire. Whatever task we are called upon to perform we must do it with all the energy and intelligence we can muster," was one of the passages, cited from a communication from Lord Somers, Deputy Chief Scout, referred to by Scout Commissioner Halward in his address to the scouts.

Continuing, Commissioner Halward said it was not often that the Association as a whole was able to meet together, and in fact a parade of this nature had not been held for many years.

The main activities of Scouting were concentrated within the Pack, Troop and Crew, but Scouts also belong to a great brotherhood of boys and men pledged to render service to their fellowmen.

That is why it is a good thing on occasions to meet together as they were doing, so that they might be reminded, by participating in such a large gathering, of the greatness of the Movement and the part that all hoped it might play in the building up of a better world.

WARRANTS PRESENTED

His Excellency the Governor then presented Warrants, Certificates and Letters of Commendation, and addressing the gathering, congratulated them on their fine turnout. He endorsed Commissioner Halward's words, and finally wished the scouts the "very best of luck and a very happy Christmas."

Warrants, Certificates and Letters of Commendation were presented to the following:

Wong Tze-shing (10th Hongkong), Ng Tze-fat (15th Hongkong), Chan Wai-chit (8th Kowloon), The Rev. Fr. Maestrini (13th Kowloon), Yung Wing Tung (16th Kowloon), Evan George Stewart (10th Hongkong), Andrew Wan (16th Hongkong), Poon King-sun (3rd Hongkong), Chiu Lin-tsun (10th Hongkong), Lee Chi-fue (7th Kowloon), Greene Lee (9th Kowloon), Liu Ting-fai (15th Kowloon), Shum Yiu-kam (21st Kowloon), Ho Kwok-fun (23rd Kowloon), Humphrey George Ramage (1st Hongkong), Stephen Wong (1st Hongkong), Robert Joseph Maycock (4th Hongkong), Liang Gen-yong (6th Hongkong), Lo Chi-ping (6th Hongkong), Li Che-min (6th Hongkong), John Pau (7th Hongkong), Chung King-mun (11th Hongkong), Loh Yu-wah (11th Hongkong), Lam Kam-cheung (11th Hongkong), John Lam (11th Hongkong), Wong Kam-pun (12th Hongkong), Hung Tak-shau (12th Hongkong), Robertson Jesse Leonard (4th Kowloon), Leung Kwong-chor (5th Kowloon), Wu Kwok-tung (8th Kowloon), Ho Kwok-cheung (23rd Kowloon), Loh Yip-yue (23rd Kowloon), Phyllis Rose Colledge (12th Kowloon), and Armand Eva Wilcox (4th Kowloon).

We have been faithfully following these four principles in the last eight years. In the future, we shall continue to adhere to them in our struggle to secure for China independence, freedom and equality, with all other nations and to lay the foundation for a nation living by the Three People's Principles.

Our comrades must realize that it is not easy for a nation to exist in the present world. Only through truthfully following the bequeathed teachings of our revolutionary leader, Tsingli, have we laid down this permanent national policy and thus to-day we are capable of leading the entire people in fighting.

China Must Have Faith In Soundness Of Her National Policy

Below is given the fifth instalment of the full translation of the speech by Generalissimo Chiang Kai-shek at the 6th Plenary Session of the C.C.C. of the Kuomintang.

In the second place, we must have faith in the soundness of our national policy. In this connection, I would like to remind my comrades of two things. First, it is fortunate for us that the war in Europe should break out after we have risen in armed resistance. Second, it is fortunate for us to have started this war of resistance against Japan as long ago as July 7, 1937 more than two years before the war in Europe. The first of these two observations means that even though Japan has the intention to "rob while others' houses are on fire," she no longer possesses the necessary strength to disturb the world, and at least the scope of the world conflict has become narrower. The meaning of the second observation follows closely upon the preceding words.

If we had failed to rise in armed resistance on July 7, 1937, and instead had waited until war broke out in Europe, the other nations would have had no attention to spare elsewhere.

Japan, continuing her aggression initiated on September 18, 1931, and employing such military equipment as she had collected during decades past, could have fearlessly done in China whatever pleased her. In such a case, China would really have been faced with peril of utter ruin.

JAPAN WEAKENING

Now, because of our struggle and sacrifices for more than two years, China has gained the experience and strength that come from prolonged warfare, where as Japan, steadily weakening and nearing exhaustion, is sinking deeper into the quagmire. Although the flames of armed conflict have flared up in another corner of the world, we have succeeded in holding Japan down here. No longer can she threaten other countries. Nor can she run amok in the world.

We in China, have only to concentrate our energies upon dealing with an enemy with whom we have already been long at war, for we do not find ourselves on the open sea in a storm which we should have to fear might suddenly bring upon us some irreparable calamity. Hence, our people must understand that July 7 two years ago was the most appropriate time to commence resistance, and that more than two years of struggle and sacrifice have brought to us invaluable rewards.

UNALTERABLE POLICY

Let us now review our unalterable national policy since September 18, 1931. At the fourth session of the People's Political Council, I explained that our national policy was based on four principles:

Firstly, resisting aggression to protect our sovereignty, territorial and administrative integrity; secondly, upholding the validity of international commitments, especially the Nine-Power Treaty, the League of Nations Covenant, and the Pact of Paris; thirdly, refusing to join in any anti-Comintern agreement; and fourthly, maintaining absolute independence in diplomacy.

We have been faithfully following these four principles in the last eight years. In the future, we shall continue to adhere to them in our struggle to secure for China independence, freedom and equality, with all other nations and to lay the foundation for a nation living by the Three People's Principles.

Our comrades must realize that it is not easy for a nation to exist in the present world. Only through truthfully following the bequeathed teachings of our revolutionary leader, Tsingli, have we laid down this permanent national policy and thus to-day we are capable of leading the entire people in fighting.

FOOD FOR
BRITAIN
(CONTRIBUTED)

THE PRIMARY AIM OF GERMANY'S MINE WARFARE IS TO STRIKE AT BRITAIN'S TRADE AND AT THE MOST VULNERABLE SPOT IN HER ARMOUR, HER FOOD SUPPLY. The increased production of foodstuffs at home is, therefore, a factor of the greatest importance in determining the final outcome of the struggle.

INTERESTING FACTS concerning what is being done in this regard are supplied by recent releases from England. They state that War Agricultural Committees with executive powers have been established by the Government in all counties to direct a three-year food production plan.

The agricultural front is organised with military precision. Every square yard of land is now regarded as a "war area" and the Land Army has already joined the farmers in going into action.

THE IMMEDIATE TASK is to get 1,500,000 extra acres under the plough by next year. Each War Committee, which corresponds to an army's divisional headquarters, has decided the minimum acreage of grassland that must be ploughed in its area. Localised district committees—the equivalent of battalion headquarters—decide which extra acres each individual farmer must plough.

CORRESPONDING TO AN ORDNANCE CORPS are groups of experts, with special knowledge of local conditions in their respective territories, who form the link between agriculture and industry. Their job is to co-ordinate the use of Britain's 70,000 tractors and immense stocks of other machinery so that the mechanised forces are always on the move.

ALREADY A RECORD ACREAGE has been ploughed with the voluntary co-operation of the farmers, and it is unlikely that the compulsory powers of the War Committees will have to be exercised. Everyone is responding to the Minister of Agriculture's broadcast appeal to "work like blazes."

AN INTERESTING SIDE-LIGHT on the food conservation campaign is that the women of the villages of England are busy filling more than 1,000,000 one and two lb. pots of jam in a lightning anti-waste campaign to preserve the country's surplus fruit crop. This is the result of one of the outstanding supply and transport achievements of the War, carried out by an emergency Board of the National Federation of Women's Institutes. The women have successfully organised the distribution of preserving sugar in bulk to villages, hamlets, even isolated cottages, in England and Wales.

VILLAGE SHOPKEEPERS could not get delivery of enough sugar for their customers, so the women, with the permission of the Sugar Commission, asked each of their Institutes to take at least one cwt. of preserving sugar. The women who got it are on parole to use it for the sole purpose of turning this year's abundant crops into jam.

WITHIN A FEW DAYS of the S.O.S., more than 345 tons of sugar had been distributed, and the countrywomen of England were on trek with ears, bars, farm carts and even prams to collect the quantity allotted to them.

FINNS FIGHT BACK MUCH SUCCESS: "NO CAPITULATION," SAYS PRIME MINISTER

Severe Fighting Rages On Karelian Isthmus

HELSINKI, Dec. 2 (Reuter)—The Finns are now fighting back valiantly, and with much success, in all three spheres of operations—on land, sea and in the air.

In a broadcast, the Premier, M. Ryti, declared: "There is no question of capitulation."

"We will negotiate on every issue that arises between two neighbouring nations, but we will not barter away our independence or the right to settle our own affairs."

Helsinki has been raided another three times, the last two raids being mainly on the working class district.

Some buildings have been destroyed and the casualties included women and children.

A.A. FIRE SUCCESS

The number of casualties is not yet known, but the effect of the air raids was less than the earlier attacks.

This is partly due to the greater success of the anti-aircraft batteries, and also partly to the fact that half the population left in Helsinki have evacuated the capital.

BUSINESS MOVES OUT

Another air raid warning was sounded in Helsinki this morning, but the all clear went a few minutes later.

Many business firms have moved out.

The food situation is satisfactory but the food shops are open only at irregular intervals.

Shops close when the air raid warning is sounded and sometimes do not open again the same day.

Other towns are being rapidly evacuated.

Two towns at the western end of the Gulf of Finland have been shelled and bombed.

The Reds are suffering considerable losses in spite of their merciless air raids.

The spirit of the Finnish people is quite unbroken by the Red threats and bombs.

KARELIAN Isthmus Fighting

LONDON, Dec. 3 (Reuter)—The Finnish Minister of Defence broadcasting his second official communiqué, gave almost the first real news of the fighting in the Karelian Isthmus.

In the area north of Lake Ladoga, the Russian troops have been very active all along the frontier. The Russian attacks have been

TERRIFIED CIVILIANS MACHINE-GUNNED

AMSTERDAM, Dec. 2 (Reuter)—Everywhere Finnish towns and villages are in flames, and people are still streaming out into the wintry countryside to shelter from the Russian bombs, according to the latest direct news reaching here.

Eye-witnesses describe the slaughter in the labouring East End, as appalling.

People thronged the big open squares to avoid burial in the debris of collapsing houses, and the Reds dropped bombs right in the middle of them.

The Red planes came so low they grazed the roof-tops, and

Far Eastern Peace

SOVIET PAPER ON RUSSO-JAPANESE AGREEMENT

MOSCOW, Dec. 3 (Reuter)—The Pravda writes that the advantages of peaceful Russo-Japanese relations are too clear for Japan to permit that part of the American press, which is serving "dealers in death," to force Japan to give up the Soviet-Japanese talks.

THREAT TO JAPAN?

This section of the press, says the paper, is trying to threaten Japan by the return of the British Fleet to Singapore and the prospect of an attack on Japan with the Air Arm of the United States Navy, because a Soviet-Japanese agreement might strengthen the cause of peace in the Far East.

GALLANT FINNISH FLEET'S CHALLENGE TO RED NAVY OF SOVIET

SILVER SALES SUSPENDED

LONDON, Dec. 3 (Reuter)—The Bombay Bullion Exchange Board passed a resolution to suspend trading in forward silver till December 12, in view of the chaotic conditions.

MATTERS NOT IMPROVED

NEW GOVERNMENT MEANS NOTHING TO MOLOTOV

MOSCOW, Dec. 2 (Reuter)—M. Molotov, the Soviet Premier and Foreign Minister, in a communiqué in reply to President Roosevelt's Note, says that the substitution of M. Cajander's Government by that of M. Tanner does not improve matters.

SEVERE FIGHTING

In the Karelian Isthmus, the fighting is also severe and is still going on. The Russians have been repulsed except at a few points. They have suffered heavy losses.

In this same sector, the Soviets have also lost a number of tanks—11 yesterday and at least 8 today. The communiqué says that the Russians lost 9 planes and adds that there is a report that at least 13 were lost.

Little is said in the communiqué about damage from air raids. Few military objectives were hit.

MANY KILLED

HELSINKI, Dec. 2 (Reuter)—A large number of people are reported killed in towns around Helsinki.

A correspondent says that on two occasions during the raids on Helsinki he had to fling himself among people hiding in ditches while bombs burst only 200 yards away. One Soviet plane was shot down, he said.

Anti-aircraft guns were active and the Finns officially report having brought down four large bombers.

BADLY EQUIPPED

LONDON, Dec. 2 (Reuter)—Norwegian press reports state that the Russian troops defeated by the Finns on the northern front were exhausted, badly equipped and ill-nourished.

APPEAL TO PEOPLE

KWEILIN, Dec. 3 (Central)—The Kwangsi Provincial Government has issued a manifesto urging the people to defend the province and annihilate the invaders in the inherent staunch spirit. They are in particular asked to co-operate with the armed forces and do their best to eliminate traitors.

FIGHTING ON BORDER

FOOCHOW, Dec. 2 (Central)—Fighting has broken out at Fenchukwan on the Kwangtung-Fukien border where Chinese forces are vigorously resisting an attempt by Japanese troops to penetrate eastward from east Kwangtung into West Kukien along the sea coast. The invaders started their push from Tenghai on November 29 and captured Wong-kong, a small village a few miles west of Fenchukwan, the following afternoon.

NO MORE ARMS

The attitude of the United States towards the Soviet invasion has been further clarified

(in addition to President Roosevelt's statement) by the announcement by the Department of War that clearance will not be granted for further military shipments to Russia.

NO MORE PLANES

NEW YORK, Dec. 2 (Reuter)—The "Washington Post" reports that United States aviation manufacturers, following the Army ban, have already stopped the supply of warplanes to the Soviet.

DEATH MERCHANTS SCRUPLES

LOS ANGELES (SOUTHERN CALIFORNIA), Dec. 3 (Reuter)—Aeroplane-makers indicated today that they would follow the President's suggestion and declare a "moral embargo" on all Russian orders for planes and materials.

Mr. Herbert Hoover, a former President of the United States, made a statement today advocating the withdrawal of the U.S. Ambassador to the U.S.S.R.

A QUIET DAY

PARIS, Dec. 3 (Reuter)—A War

communiqué says that it was a quiet day on the whole front.

WHOLESALE EVACUATION

KWEILIN, Dec. 3 (Central)—Before Nanning's fall, practically all civilians and materials had been evacuated, according to the Kwangtung Pacification Headquarters.

There are unconfirmed rumours

that the German colony is returning to Germany today.

PRIMARY OBJECTIVE

HELSINKI, Dec. 2 (Reuter)—An attempt to wreck Helsinki's Waterworks was the primary objective of one of the Soviet raids today.

The destruction of the water-

works would have caused acute dis-

tress among Helsinki's remaining population.

The heavy bombs dropped missed

their main objective, however, and

destroyed the main warehouse in

the railway goods station, which

blazed for hours, and wrecked the

"Shell" petrol reservoir.

FOREIGNERS IN NANNING SAFE

ASSURANCE BY JAPANESE SPOKEMAN

CANTON, Dec. 3 (Reuter)—The spokesman of the Japanese Consulate informed Reuter that all third power nationals in Nanning are safe and that property not damaged is under the protection of the Japanese Army.

CHURCHES UNDAMAGED

He added that all British, French and American missionaries were safe and that no churches were damaged.

HELSINKI, Dec. 2 (Reuter)—The Finnish Fleet which steamed out yesterday engaged the Red warships which were shelling the Hangsore shore defences in the first naval engagement of the hostilities.

One Finnish coastguard vessel was sunk during the battle. Her crew are reported to have been machine-gunned by the Russians as they swam in the water.

CRUISER HIT & DAMAGED

HELSINKI, Dec. 2 (Reuter)—The Finnish Fleet which steamed out yesterday engaged the Red warships which were shelling the Hangsore shore defences in the first naval engagement of the hostilities.

One Finnish coastguard vessel was sunk during the battle. Her crew are reported to have been machine-gunned by the Russians as they swam in the water.

CRUISER HIT

It was announced in an earlier message that the Finnish big coast guns scored a success when they sank the crack Soviet cruiser Kyro (8,500 tons).

The Kyro was reported to be bombarding the forts with salvo after salvo when the coastal guns scored two direct hits.

A later report, however, stated that she was not sunk, but damaged and managed to limp away after being hit.

PRACTICING?

In the meantime, Soviet warships off the Island of Seitskar are alleged to have sunk a ship full of escaping coastguards, on whom they "practiced rifle fire" as they swam.

DUBLIN, Dec. 3 (Reuter)—Fifty-four political prisoners were released today.

HELSINKI, Dec. 3 (Reuter)—The Government has decided to present its case on the conflict with the Soviet to the League of Nations.

The Finnish representative at Geneva has been instructed to take steps, under Articles 11 and 15 of the League Convention, providing for the calling of the League Council or Assembly.

MINISTER'S STATEMENT

WASHINGTON, Dec. 3 (Reuter)—The State Department has issued a statement by the United States Minister in Finland, which refutes the Soviet declaration that Red planes had not bombed civilians in their raids on Helsinki.

The Minister, who was present in Helsinki during one of the raids, said that the Soviet machines indiscriminately bombed and machine-gunned the civil population.

HEARST ASKS BREAK

NEW YORK, Dec. 3 (Reuter)—The United States should immediately withdraw her recognition and sever all relations with her, declares a front page leading article in the Hearst Newspapers today, which denounces Russia's "barbaric assault" on Finland as an "unspeakeable crime."

JAPANESE KILLED IN TRAIN MISHAP

KINHWA, Dec. 3 (Central)—About 300 Japanese were killed and wounded when a Japanese troop train struck a Chinese mine laid under a bridge on the Soochow-Kashing Railway in North Chekiang on Tuesday.

The locomotive was blown up and the coaches were derailed.

Following the mishap, a Japanese unit launched an attack on the

but they were allowed to board any empty vehicle or boat which they met on the way.

Removal of materials was under government supervision. Transportation facilities were provided for schools and telegraph and telephone offices were evacuated. Even boats were ordered to leave.

RISING TIDE OF WORLD INDIGNATION AGAINST SOVIET ACTION

LONDON, Dec. 2 (Reuter)—The British and French newspapers continue to express horror at the Soviet action in Finland, and in the rest of the world the tide of indignation is noticeably rising.

The Norwegian Government organ says: "The Soviet has no respect for the independence of its small neighbours."

"The policy will revenge itself as the world sees what it means."

The Dutch newspaper, "Algemeen Handelsblad" says the invasion has aroused the same horror and indignation as the German invasion of Poland.

An Italian journal says: "We can never approve this odious action."

NO JUSTIFICATION

In Tokyo, the Asahi Shimbun declares: "This blatant and contemptible aggression can find no justification."

In the United States, the press warmly approves President Roosevelt's declaration.

The New York Times declares: "The overwhelming opinion of the American people was stated by President Roosevelt."

"After their work in Finland is done, the Soviets will find that they have earned the everlasting distrust and contempt of the American people."

"INEXCUSABLE CRIME"

TOKYO, Dec. 2 (Reuter)—The Otsu Shogyo declares that the Soviet's inexcusable crime against Finland is overthrowing order in the world and is disturbing the equilibrium among the nations.

The newspaper adds that the world is returning to the rapacious methods of plunder of the Dark Ages.

The Asahi Shimbun says it is impossible to find any justification and it therefore can only be described as the perpetration of an injustice by force.

COTTON: Rather substantial foreign buying was met by increased Southern selling and offerings from spot houses. Interest is being centered on the approaching farmers' referendum, which is due on December 9, regarding control of the 1940 crop.

RUBBER: There was some scattered liquidation on a thin market. Speculative interest was light, but the technical position is believed to be sound.

WHEAT: No needed relief in the drought sections is indicated. Purchases of December by cash houses and short-covering are stimulating the market. The easiness of the Canadian market is attributed to the favourable harvesting weather conditions in the Argentine which may result in heavier marketings abroad later in the season.

**UPSETS IN ASSOCIATION
HOCKEY TOURNAMENT****Central British And Radio
Show Championship Form**

(BY "RECODER")

THE HOCKEY ASSOCIATION TOURNAMENT made further progress yesterday when three matches were played off. The biggest upset of the day was the 6-0 defeat inflicted by the Central British Association on Club de Recreio at King's Park. Both teams fielded their strongest elevens, and Recreio, on paper, looked likely enough to draw.

A SECOND UPSET WAS THE DEFEAT of the Nomads by a K.I.T.C. team which included six newcomers. The 2-0 win for the Kowloon Indian Tennis Club, despite the fact Nomads were not playing their full team, came as a surprise. The third match played resulted in another win for Radio, who defeated the Royal Corps of Signals 5-1.

POINTS FOR K.I.T.C.

Kowloon Indian Tennis Club beat the Nomads by two clear goals in a Hockey Association Tournament match played at the Police Training School ground, Kowloon, yesterday afternoon. M. R. Malik, the K.I.T.C. inside-left, scored both goals.

Nomads had the better of the game throughout the first half, but a goal by Malik shortly before the interval and a second goal early in the second half proved too much of a lead to shorten, and play became rugged.

With a little more combination, K.I.T.C. could have taken advantage of a situation that bled well in their favour, but Pyara Singh could not partner inside forwards to any advantage, and Afzal, on the right wing, did not come up to expectations.

RADIO: U. B. Souza; A. E. P. Guest, J. Singh; A. R. Kitchell, M. H. Hassan, K. Hussain; K. Singh, G. Singh, A. Singh, J. M. Pinto, and Jangher Singh.

SIGNALS: Truscott; Holland, Sayers; Griffiths, Gorman, Blount; Price, Coombes, Husband, Austen, and Cobbold.

H. Franco, H. Gubbay, and B. Xavier.

**RADIO OVERWHELMING
SIGNALS**

In another Tournament match, played at the Radio and Postal Sports Club ground, Caroline Hill, yesterday morning, Radio defeated the Royal Corps of Signals by five goals to one after leading four-nil at the interval.

For Radio, Gurbachan Singh netted three times, Avtar Singh and J. M. Pinto once each. Husband scored for the Signals.

Radio had much the better of the game, though the Signals attacked in their turn, the forwards failing again and again in front of goal.

The teams:

RADIO: U. B. Souza; A. E. P. Guest, J. Singh; A. R. Kitchell, M. H. Hassan, K. Hussain; K. Singh, G. Singh, A. Singh, J. M. Pinto, and Jangher Singh.

SIGNALS: Truscott; Holland, Sayers; Griffiths, Gorman, Blount; Price, Coombes, Husband, Austen, and Cobbold.

RECREIO TROUNCHED

Central British Association beat Club de Recreio by six goals to nil in a Tournament match played at King's Park yesterday morning, the game being even throughout the first half, though C.B.A. having much the better of play in the second half. The half-time score was three-nil.

Goals for C.B.A. were scored by S. A. Fowler (2), E. Fowler (2), D. T. Smith and Urs.

The teams:

K.I.T.C.: Makhan Singh; Karnal Singh, Kalwant Singh; Mohinder Singh, Kishan Singh, Bagh Singh; M. Afzal, C. Pinto, Pyara Singh, M. R. Malik, and Attar Singh.

NOMADS: E. A. Alves; H. Soares, W. A. Reed, A. M. Alves; P. Yvanovich, G. Gosano, N. Beltrao, L. Souza; R. Silva, F. O. Reed, J. B. T. Gosano, and J. Soares.

**LISSAMAN
